

IDEA Conference 2023

IDEA

This year the IDEA conference will be taking place adjacent to INHED on March 28th also in QUB. IDEA is an annual meeting for doctoral researchers in health professions education. Speakers at the event will have the chance to give a problem-focused presentation and, through discussion with other students and leading established researchers, receive advice on their ongoing work. Please see below the schedule for this year's event.

Tuesday, March 28th 2023 - Graduate School TR6, Queen's University Belfast

10:30	Registration		
10:45	Welcome		
11:00	Presentation 1	Nick Gardner	QUB
11:30	Presentation 2	Elaine Burke	TCD
12:00	Presentation 3	Jill Christy	QUB
12:30	Presentation 4	Emily Buckley	UCC
13:00	Lunch		
13:30	Presentation 5	Paula Houton	QUB
14:00	Presentation 6	Jenny Moffett	RCSI
14:30	Presentation 7	Miad Alruwaili	QUB
15:00	Coffee		
15:30	Presentation 8	Melanie Cunningham	RCSI
16:00	Presentation 9	Sarah O'Hare	QUB
16.30	Presentation 10	Gareth Edwards	RSCI
17:00	Presentation 11	Stephen Doyle	QUB
17:30	Close		
18:30	Dinner – House Belfast – https://housebelfast.co.uk		

Conference Schedule – At A Glance

Wednesday, March 29 th 2023	
08:20-09:00	Conference registration MBC/North Lecture Theatre OG.046NT
09:00- 10:00	Keynote 1 - Experiencing the Body in Healthcare Education by Dr Martina Kelly: MBC/North Lecture Theatre OG.046NT
10:00- 10:20	Coffee break: MBC/North Lecture Theatre OG.046NT & MBC/01.402
10:20- 11:50	Workshop 1 - Introducing a mind-body perspective on chronic pain in healthcare education: MBC/OG.404B
	Workshop 2- Identifying and disseminating best practice from postgraduate healthcare education programmes: MBC/OG.420
	Workshop 3- Teach the Teacher 2.0: how to support medical students' clinical learning in the 21st century: MBC/01.402
	Workshop 4- The Art of Science: using creativity in bioscience teaching enriches the learning experience for students on healthcare programmes: MBC/01.409
	Workshop 5- Going through the emotions: de-roling techniques for healthcare professionals based on lessons from the dramatic arts and medical research on brain activity: MBC/01.414
11:50- 12:00	Break
12:00- 13:00	Educational research session 1- Clinical-based education: MBC/OG.046NT
	Educational research session 2 - Engaging with the Arts: MBC/OG.404B
	Educational research session 3- Training: MBC/OG.420
	Educational research session 4- Equality: MBC/01.402
	Educational innovation session 5 - Assessment: MBC/01.409
	Educational innovation session 6 - Diversifying Interprofessional & Simulation Education: MBC/01.414

Wednesday, March 29 th 2023 Ctd.	
13:00- 13:45	Lunch: MBC/North Lecture Theatre OG.046NT
13:45- 14:30	Patient-led session with Johanna McMullan, WAVE: MBC/North Lecture Theatre OG.046NT
	INHED EGM: MBC/OG.420
14:30- 14:40	<i>Break</i>
14:40- 15:40	Educational innovation session 1- Preparing for Practice: MBC/OG.046NT
	Educational research session 2 - Technology: MBC/OG.404B
	Educational research session 3 - Interprofessional Education: MBC/OG.420
	Educational research session 4- Mental Health and Wellbeing: MBC/01.402
	Educational research session 5 - Student Experience: MBC/01.409
	Educational research session 6- Simulation: MBC/01.414
15:40- 15:55	Coffee break: MBC/North Lecture Theatre OG.046NT & MBC/01.402
15:55- 17:25	Workshop 6 - Visualisation in teaching the medical sciences students workshop: MBC/OG.046NT
	Workshop 7- An introduction to realist synthesis and evaluation: a research methods workshop: MBC/OG.404B
	Workshop 8- Implementing Case-based learning as the cornerstone of a new medical curriculum: MBC/OG.420
	Workshop 9 - A Holistic Approach to Learner (Educational) Handover: MBC/01.402
	Workshop 10 - Beyond words: embodied sensory methodologies in qualitative research: MBC/01.409
	Workshop 11 - Let's get things done! Masterclass in harnessing simulation, and theory, to bring about change: MBC/01.414
17:30- 18:30	INHED AGM: MBC/OG.420
	Tour of the Queens University Area
19:00	Dinner/Drinks

Thursday, March 30 th 2023	
08:20- 09:00	Conference registration: MBC/North Lecture Theatre OG.046NT
09:00- 10:00	Keynote 2 - Dr Bláinaid Gavin <i>'There's a lot of it about Neurodiversity in the Health Professions'</i> : MBC/North Lecture Theatre OG.046NT
10:00 - 10:20	Coffee break : MBC/North Lecture Theatre OG.046NT & MBC/01.402
10:20- 11:20	Parallel Workshop 12- Breaking Bad News Communication Skills Education: Introduction to a New Resource: MBC/OG.404B
	Parallel Workshop 13 - Arts and humanities in medicine and health: 10 years' experience with a graded compulsory student-selected module: MBC/OG.420
	Parallel Workshop 14- 'It is research? Is it QI? Defining, designing, and disseminating your scholarly project': MBC/01.402
	Parallel Workshop 15- Illuminating the 'dark arts': using theory in HPE research: MBC/01.409
	Parallel Workshop 16- The life-cycle of an OSCE: MBC/01.414
11:20- 11:25	Break
11:25- 12:10	Student-led session : MBC/North Lecture Theatre OG.046NT
12:10- 13:00	Lunch : MBC/North Lecture Theatre OG.046NT
13:00- 14:30	Parallel Workshop 17- Graphics Workshop: MBC/OG.046NT
	Parallel Workshop 18- From communication to behavioural skills: impression management for challenging conversations: MBC/OG.404B
	Parallel Workshop 19 - Identifying best practice to support international students: MBC/OG.420
	Parallel Workshop 20- What is a zone of proximal development (ZPD) and why should I care? Sociocultural learning theory (SCT) unboxed: MBC/01.402
	Parallel Workshop 21 - An active bystander Toolkit as applied to medicine and health and the higher education workplace: MBC/01.409
	Parallel Workshop 22- Addressing disability in HPE Education: MBC/01.414
14:30-14:40	Break
14:40- 15:40	Keynote 3. Dr Paul Murphy – <i>'How can Insights from Drama contribute to developing Health Professionals?'</i> : MBC/North Lecture Theatre OG.046NT
15:40- 16:00	Prizes and Close
